Subject: FW: Statewide TMDL Policy Advisory Committee - Agenda - January 29

Hi All, I am looking for someone to attend this meeting in Salem for EPA. Please volunteer by replying to all and coordinating with Alan Henning, who has been attending these meetings regularly. The agenda includes a number of presentations (DEQ, ODA, Freshwater Trust) related to Oregon's plans for revisiting their temperature standard and what they are doing to meet it. There are also updates on CZARA and DoF rulemaking. Alan Henning can not make Wednesday's meeting due to a conflict with an OWEB Board meeting, but it would be useful to have a pair of EPA ears at this meeting given the overlap of this agenda with WQS, CZARA, and TMDL litigation.

Thanks much for considering this task/interesting opportunity J
Dave

Subject: Statewide TMDL Policy Advisory Committee - Agenda - January 29

Greetings all -

Attached please find the proposed agenda for the January 29th Statewide TMDL Policy Advisory Committee meeting in Salem. Please note that we will devote much of the afternoon to a focused policy discussion on strategies for meeting water quality standards, particularly with respect to Temperature - building on some morning presentations on related topics.

Please take note of the discussion topics and come prepared to engage with others in discussion and to share your interests as well as those you represent with respect to our topics. We look forward to a lively discussion!

Meeting details are as follows:

Statewide TMDL Policy Advisory Committee - Meeting #4

Wednesday January 29, 2014

10:00 AM – 3:00 PM

Oregon Department of Forestry Headquarters

2600 State Street, Salem OR,

Tillamook Conference Room C

We look forward to seeing you next week.

- Turner and Jessie
